

July 25<sup>th</sup> to August 1<sup>st</sup> 2008

This year our scouts have a superb two part adventure for their summer camp. Starting at the end of summer term we join 1<sup>st</sup> Crowborough Scout group for their centenary camp at Gilwell Park, the headquarters of Scouting world-wide, located in Chingford Essex. After a weekend of activities which include activities like high ropes, shooting, archery, G-Swing and Climbing towers , we leave Essex to travel north to possibly the most dramatic scenery in England – The Lake District.

We will be camping at Great Tower Scout campsite right next door to stunning Lake Windemere, the scene of the World Water speed records set by the Campbell Family. Of course the Lake District is famous for walks, mountains and plenty of exploring!

The final price for the camp depends upon the number of party members and how we get there. We have a budget price of £150 per person inclusive. We must pay a deposit **NOW** to hold our camp space since they are already fully booked for summer. We are looking for some additional adult helpers this time so that we can get the best out of this adventure. Don't be shy as it will be as much fun for the adults as the scouts.

**CLOSING DATE 31<sup>ST</sup> MARCH 2008 FOR ALL DEPOSITS**
