

## Ticehurst Scout Group Subscription Form

The cost of scouting remains as economical as ever. Our three session year comprises approximately 45 meetings plus lots of extra events – many totally free. Our subscriptions go towards head office and hut expenses like drinks and biscuits. None of our scouters or helpers are paid for their time and effort.

Additional costs include those fees associated with trips or events such as camping, swimming archery etc. The essence of scouting is the development of potential for young people, not the emptying of their parents pockets. 1<sup>st</sup> Ticehurst scouts is a registered charity.

For new members subs is due after the third week of attending. This coincides with being invested and becoming a beaver, cub or scout.
